WATCHMEDAD.COM is totally driven by ad and pay-per-view revenue. All revenue is shared with the schools and clubs who use WatchMeDad.Com to broadcast their events.

4) Examine the **Current & Upcoming Schedule** for the event you wish to view and click on the name. This will pull up a PayWatch screen. Make sure that your firewall enables cookies on your computer or the website will not register a payment made. Turn card over for help in troubleshooting enabling cookies. NOTICE: PAY ALL is the default selection. You MUST select your option or your card will be charged the PAY ALL price.

YOU MUST HAVE COOKIES ENABLED TO MAKE A PAYMENT.

5-day Unconditional Refund.

If after you have made a payment you are brought back to this screen it is because your security settings are too high and you will have to enable cookies before you can make a payment. If this happens please contact us at support@watchmedad.com and we will refund the first payment.

# Troubleshooting Page

## 1. 64 bit version of Internet Explorer

Click Start menu and ALL PROGRAMS. Scroll to select Internet Explorer. DO NOT select INTERNET EXPLORER (64BIT), Microsoft Silverlight does not play on Microsoft Internet Explorer 64 bit.

## 2. Enabling Cookies so the payment is registered:

Internet Explorer 8.0

a. Click on the "Tools" menu in Internet Explorer.

b. Click "Internet Options".

- Change to the "Privacy" tab.

- Set the slider to medium

3. Internet browsers that work with WATCHMEDAD.COM. Do a Google search for the desired browser and follow the download prompts to install on the desktop. Then open Watchmedad.com using that internet browser.
